Immediate Implant Success: Esthetic Protocols for Predictable Outcomes

2.5 CE | Immediate | Tissue Management

December 10, 2026 | Thursday

Nolan's on Canandaigua Lake

726 South Main Street, Canandaigua, NY 14424, USA

Lecture | MEGA SCHOOL

COURSE DESCRIPTION

Discover a comprehensive, clinically driven approach to achieving superior implant outcomes in today's esthetically demanding environment.

This lecture will present practical protocols for immediate implant placement, the strategic use of custom healing abutments, and essential hard and soft tissue grafting techniques designed to optimize emergence profiles, preserve anatomy, and support long-term stability.

Emphasis will be placed on predictability, efficiency, and techniques that can be seamlessly integrated into everyday practice. Attendees will gain actionable insights to enhance treatment planning, improve esthetic results, and deliver consistent, high-quality care with confidence.

COURSE OBJECTIVE

By the end of the course, clinicians will be able to:

- Evaluate case selection criteria for immediate implant placement to optimize esthetic and functional outcomes.
- Utilize socket-sealing components and custom healing abutments to preserve tissue volume and contour.
- Soft tissue and bone grafting approaches to preserve and promote optimal peri-implant architecture.
- Optimize new protocols for prosthetic design to reinforce long-term stability.

TARGET AUDIENCE

Dentists. No pre-requisites required

COURSE DETAILS

Educational Method	Lecture
Credit Hours	2.5 CE

Dec 10 (Thu)

05:30pm - 06:00pm	Registration / Light Dinner
06:00pm - 08:00pm	Lecture
08:00pm - 08:30pm	Q&A

ABOUT THE SPEAKER

Jeremy Sant
DDS

Dr. Jeremy Sant earned his DDS from the University at Buffalo in 2016 and currently serves as the Clinic Director for the A.T. Still University Arizona School of Dentistry and Oral Health's AEGD Residency Program. He has completed numerous continuing education programs, including two AAID MaxiCourses, highlighted by the opportunity to train with Dr. Hilt Tatum.

He holds credentials as a Diplomate of the American Board of Oral Implantology, a Fellow of the American Academy of Implant Dentistry, and a Fellow of the Academy of General Dentistry. Dr. Sant is also an active leader in the field, serving on the AAID's Western District Leadership Committee and the Board of Directors for the AAID Foundation.

As a co-founder of Foundation Implant Training, he focuses on implant education through lectures and hands-on mentorship alongside his team. Outside of his professional work, he enjoys life with his wife, five children, and their dog.

Disclosure: The speaker reports no relevant financial or non-financial conflicts of interest related to the content of this course.
