

Immediate Implant Success: Esthetic Protocols for Predictable Outcomes

2 CE

Immediate

Tissue Management

Jeremy Sant
DDS

 June 18, 2026 | Thursday

 Vital Dental Laboratory
40 Pineview Dr, Buffalo, NY 14228, USA

COURSE DESCRIPTION

Discover a comprehensive, clinically driven approach to achieving superior implant outcomes in today's esthetically demanding environment.

This lecture will present practical protocols for immediate implant placement, the strategic use of custom healing abutments, and essential hard and soft tissue grafting techniques designed to optimize emergence profiles, preserve anatomy, and support long-term stability.

Emphasis will be placed on predictability, efficiency, and techniques that can be seamlessly integrated into everyday practice. Attendees will gain actionable insights to enhance treatment planning, improve esthetic results, and deliver consistent, high-quality care with confidence.

COURSE OBJECTIVE

By the end of the course, clinicians will be able to:

- Evaluate case selection criteria for immediate implant placement to optimize esthetic and functional outcomes.
- Utilize socket-sealing components and custom healing abutments to preserve tissue volume and contour.
- Soft tissue and bone grafting approaches to preserve and promote optimal peri-implant architecture.
- Optimize new protocols for prosthetic design to reinforce long-term stability.

TARGET AUDIENCE

Dentists. No pre-requisites required

COURSE DETAILS

Educational Method	Lecture
Credit Hours	2 CE
AGD Subject Code	690 Implants
Max Participants	15

TUITION

\$75

*Vital Dental Lab will be providing refreshments

ABOUT THE SPEAKER

Jeremy Sant

DDS

Dr. Jeremy Sant earned his DDS from the University at Buffalo in 2016 and currently serves as the Clinic Director for the A.T. Still Arizona School of Dentistry and Oral Health's AEGD Residency program. He has completed many continuing education training programs, including two AAID MaxiCourses, which is highlighted by the opportunity to train with Dr. Hilt Tatum. He holds credentials as a Diplomat of the American Board of Oral Implantology, a Fellow of the American Academy of Implant Dentistry, and a Fellow of the Academy of General Dentistry. Dr. Sant is also an active leader in the field, serving on the AAID's Western District Leadership Committee and the Board of Directors for the AAID Foundation. A co-founder of Foundation Implant Training, he focuses on implant education with their team through lecture and hands-on mentorship. He is married to a lovely wife and is a proud father of five kids and a dog.
